

# What Coaches are Saying about Jim Boone's **FREE FALL COACHES CLINIC**

***"Our entire staff had a great time at this year's Clinic! Your passion for the game and your ability to simplify and teach it are unparalleled. Your Clinic was not only a chance for us to learn the Pack Line Defense and Motion Offense, but the intricate details that go into teaching it layer by layer. I will be back."***

***"You are the best resource in not only the teaching and the development of the Pack Line Defense, but in the development of a Championship Program and a Winning Culture. It was well worth my weekend to fly to Cleveland Mississippi, and I just want to say thank you for making me a better coach."***

***"This is one of the best basketball and coaching opportunities I have ever experienced. Coach Boone and his staff are phenomenal, the job they put into their Clinic is the best. This is a must see for any coach, despite where you may be stationed in your career. I promise you, I will be a yearly attendee."***
