Jim Boone is entering his 30th year as a head coach at the NCAA level; while Coach Boone has developed a reputation as one of the nations premiere defensive coaches, his teams have always been among the conference and nation's leaders in offense. His first video, which has sold nearly 10,000 copies, was filmed in 1993 as a VHS while Boone served as the head coach at California University of Pa. The video has since been digitally converted to a DVD format. The Boone philosophy has been steeped in a blue collar work ethic, a disciplined approach, and a team toughness that is second to none. Jim Boone is a sought after speaker at coaching clinics across the nation, to share his unique approach to defense, his motion offense, and his thoughts on team development, and building a winning basketball program.
