

DREAM BIG

**Know though, that things worth doing
seldom come easy.**

There will be good days.

**There will be times when you want to turn around,
pack it up, and call it quits.**

**Those times tell you that you are pushing yourself,
that you are not afraid to learn by trying.**

If there was ever a time to dare,

to make a difference,

to embark on something worth doing,

it is now!

Not for any grand cause, necessarily –

but for something that tugs at your heart,

something that's your aspiration, something that's your dream.

You owe it to yourself to make your days here count.

Have fun, dig deep, stretch.

Persist. Because with an idea, determination,

and the right tools, you can do great things.

Let your instincts, your intellect,

and your heart guide you.
